

EXCHANGE LISTING, LLC TO OPEN NEO STOCK EXCHANGE

New York, November 13, 2020 -- [Exchange Listing, LLC](#) and its chairman, Peter Goldstein, will be joined by Erik Sloane, chief revenue officer of [NEO](#), on Monday, Nov. 16, to celebrate Exchange Listing's acceptance into NEO's Trusted Service Provider Program.

The NEO Exchange is Canada's next-generation senior stock exchange, bringing much-needed competition and disruption to the Canadian market. Focused on doing what is right for investors and capital-raising companies, NEO offers a Trusted Service Provider Program, which enables a better public listing experience for issuers.

Members of the NEO Exchange Trusted Service Provider Program are leading experts in their fields, across all verticals, who are carefully vetted; committed to meeting the needs of capital-raising companies; and aligned with NEO's vision, values and commitment to exceptional client service.

Exchange Listing LLC was founded to provide growth companies with a cost-effective one-stop strategic planning and implementation service to list on senior exchanges.

"We are currently working with two issuer clients on their application processes to list to the NEO Exchange," Goldstein said. "One issuer is a European specialty pharmaceutical company and the other is a U.S.-based global provider of award-winning e-commerce and fintech solutions. Both companies are looking to benefit from the NEO platform technology for trading, to broaden investor confidence, to improve liquidity and to gain global exposure."

About Exchange Listing, LLC

Exchange Listing provides growth companies with direct access to a one-stop solution in the strategic planning and implementation of listing on a senior exchange such as NASDAQ or NYSE in a cost effective and efficient process. We assist clients in going public whether through an initial public offering, listing from another marketplace, merger or direct offering. We serve as the primary point of contact with the exchange, investment bankers, lawyers and other service providers. Our founders, strategic partners and advisors are entrepreneurs with backgrounds in investment banking, securities law, corporate governance and business management and have served as officers and directors of public and private companies. We pride ourselves in taking a hands-on role with our clients throughout the listing process.
